

Letter from A.P. Watt to S.R. Crockett
Hastings House

Penicuik, N.B.
23rd June 1900

Dear Crockett,

I have the pleasure of informing you that I have sold the American serial rights of your short story t
The Gate of the Upper Garden to the Editor of the Saturday Evening Post for a sum to be calculated
at the rate of £10 a thousand words. I take it I am correct in saying this is the best price which we
have yet got for the American serial rights to any of your stories.

Believe me

Yours sincerely

Watt
