

Bank House

Feb 12.

Dear Mr Bain

Have you a nice Evelina. I don't need first editions, but an old one. And will you send all the books to me at Morley's hotel on the 25th. I think I shall be up on the 26th. I've had a most abominable cold since ever since I saw you. Got it at the zoo, watching those improper ancestors of ours in the monkey house

greetings

Ever yours. SRC,
