Dear Unwin

I shall be glad if you can do something for Murdoch. As I understood it, Pennell wrote me that 'dog did not eat dog' and that he wished me to accept the use of the drawings as a friend. T'isn't often so far as I know.

I am sorry that I shall not be in London for either of the dinners you mentioned. Indeed, it is likely that we shall go straight to Italy and not be back until June.

with thanks for asking me all the same

with kind regards

faithfully yours

SRC.
