Dear Mr. Watt,

Thank you for your letter of the 18th which I received last night. With regard to the option on "Lad's Love" and "Rose of the "Wilderness", I think with you that on the terms in which it is proposed, we should do well to agree to it, it seems only fair under the circumstances.

I quite agree that some such defining word to prefix "Cinderella" would be necessary, and I think either "A Scottish Cinderella" or "A Lowland Cinderella" would be quite good.

Would you please tell Mr. Morgan that I shall be very glad to help him in any way that I can by advising him as to the places in Galloway to go to for suitable scenery for "The Lilac Sunbonnet". I am very glad indeed that he proposes to produce it so carefully, and also that Miss Morgan is to take the principal lady's part. So much will depend upon that being delicately and sympathetically done.

It makes a great difference to have someone really enthusiastic about Mr. Crockett's work willing to produce them, and I'm sure there is a public ready for them in Scotland at any rate.

I am

Yours sincerely

Ruth Mary Crockett
