My dear Dickson,

Thanks for notes about Peter. Shall be most thankful for the "Life and Curious Adventures" and the loan of Blackwood 1848, if not over muckle trouble.

I shall send Anderson to the library 'to speer for ye'. He is a good fellow, but don't fill him full of other than good day lear.

I've been a fortnight away and returned to 148 letters! Waes me!

Ever yours, In clear and cloudy weather

S.R. Crockett
