

Seaton House
St. Andrews
Telephone No. 1123

November 5th 1895

Dear Lord Rosebery,

I should be glad to run over for either Thursday 14th or Friday 15th if either of those dates would find you at Dalmeny. I shall likely be going home about then anyway, so if any date about that time will suit you, we might hit it off.

I am glad you did not think me a beast for not replying sooner.

Faithfully yours,

S.R. Crockett
