Dear Douglas,

I have been out of town and travelling so that I have not seen your reviews of "Lochinvar." I should be delighted to see them if you could send them to me. I want to send you a copy of "Sir Toady Lion" which is going off A1. If I do not, do it pray send me a postcard reminding me, as I am most forgetful.

I hope to see you in January, when I shall be longer in town than I have been recently.

My kindest regards to you and all your circle,

Ever truly yours,

S.R. Crockett
