Dear Unwin,

Cheshire Cheese next Tuesday at 6.30! That is all right, an' thank'ee kindly! I shall bring a good appetite. Mind no 'Reverends.' I don't use the title in literature and I may soon drop it altogether in fact (this in your ear) I see the Chronicle (confound 'em) always puts the Rev SRC's new book.

The Scotsman gives us another little lift this morning.

I am [ ] of congratulations on Scotsman article strange that it should be so much though

Ever yours

SRC
