

Seaton House
St Andrews
31st July 1895

To the Library Committee of the University of St Andrews.

Gentlemen,

I have the honour to write to you requesting the privilege of being allowed the use of your library during my residences in St Andrews, for the purpose of historical research.

I should be exceedingly grateful if you could allow me the use of a number of volumes at a time for my work.

I am, gentlemen of the committee,
Yours faithfully
S.R.Crockett.
