Dear Unwin

I was glad to see Austin on Saturday and to hear that all the books are going so well, especially the Raiders and the Lilac. I shall have pleasure in reading the MS which you are forwarding and shall give you my candid opinion on it. As you say the Saturday Review was wholly satisfactory, so with reservations the St James. MS has not yet arrived.

with kind regards

faithfully yours

PS Horrid Big Book by T.E.S.T. came in. I shall write the author a nice note in a short time.
