Messrs Tillotson,

Dear Sirs,

Here is corrected proof of my little story. I have just got back from a long wandering in the north - hence the delay. I hope it is not too late.

By the way, you have I believe, a man a Seth in your American office, whose brother Professor Seth is one of my best friends. I used to know your man also, and anything you can do for him will be counted as a kindness.

Dear Sirs,

Your obedient servant

S.R. Crockett
