

Letter from A.P. Watt to Appleton

6th October 1905.

I take pleasure in sending you here with by return copy of new novel entitled Fishers of Men. It is now running serially in Christian World. Will run for about six months and Clarkes will publish book next March at or April.

I shall be glad to hear that you so far share my high opinion of Fishers of Men as to be willing to purchase the US book rights on terms likely to be satisfactory to Mr C. Kindly let me have your decision at your earliest convenience PS you would have to copyright in America with copy.
