

Letter from A.P. Watt to Holt Thomas (The Graphic)
Hastings House

11th September 1900

Dear Mr. Thomas,

With regard to Crockett's story I do not think that we are at all likely to get a better offer, or indeed any other offer in Cardiff, where prices in my experience never were high.

Under these circumstances, and as you are good enough to leave the matter to me, I have decided to accept Messrs. Duncan's proposal.
