Christmas Day 1895
My Dear Unwin

Have you by any chance got one of the vellum copies of the IP Stickit. I should be much obliged if you had. I am coming up in the end of February for a month or so when we can talk about things. I am not making any public engagements and don't want it in papers and things if I can help it.

I shall I hope be able to give you corrected copy of the Grey Man of Auchendrayne by then. I think it is my best.

ever truly

yours
