Dear Sirs,

I am much obliged to you for sending me copies of *Vox Clamantium*. The format of the book does great credit to your firm. It has been thoroughly well produced and makes a delightful volume. I hope it may prove exceedingly successful. Mr Morgan of Burns & Co told me that he was binding it for you and certainly he has done his part exceedingly well. I am putting a notice of it into some papers with which I am connected.

Yours very truly

SRC.
