Dear Unwin

Greetings! I send you the unbound Stickit. I like the white vellum and gold best of all so just bind it like the last. If I am to shell out 4 pounds for the two books on vellum and be out of pocket 20 or 30 more for the credit of the Edition my affectionate and long suffering publisher will bind both copies for me. N'est pas!

Please send me a pull of my little contribution 'the Sealed Book' to Good Reading by return like a good chap
ever yours
